## **IMPORTANT ANNOUNCEMENT**

### **Altegris Investments partners with AlphaMax for alternative fund education and distribution**

As of February 18, 2022

Altegris Investments and AlphaMax Distributors are pleased to announce a new relationship that adds the Altegris lineup of alternative investment solutions to the AlphaMax distribution platform. AlphaMax has a team of 20 leading independent wholesalers nationwide providing the financial advisor community with access to leading boutique managers dedicated to delivering alternative sources of income and growth. AlphaMax will support existing Altegris relationships and will help grow new adviser relationships across, RIAs, IBDs, and wirehouses.

AlphaMax recently launched following the successful buyout of the assets of Multi-Funds LLC from retiring founder Mark Kamies. Multi-Funds was one of the leading third-party distribution organizations in the United States having raised more than \$23bln for a limited selection of fund families since inception. Many of Kamies former partners at Multi-Funds, including National Directors Sam Stubbert and Jeff Robinson remain as owners of AlphaMax along with new partner Better Outcome LLC.

“Following the successful acquisition of Altegris in 2021, we are excited to add an incredibly talented team of over 20 independent distribution professionals to our platform” said Doug Grip, Chairman and CEO of Better Outcome. The team at AlphaMax will continue to represent the alternative investment offerings of AlphaCentric in addition to adding the Altegris funds to their portfolio of offerings.

Matt Osborne, CEO and co-founder of Altegris added “we are thrilled to be working with Sam, Jeff and the team at AlphaMax. They have proven their capabilities time and again in terms of reaching the financial advisor community and providing access and education on unique alternative strategies. Altegris looks forward to working with AlphaMax on our current and future offerings.”

The Altegris funds are available on all major custodial and brokerage platforms. For more information go to [altegris.com](http://altegris.com) or contact [info@altegris.com](mailto:info@altegris.com).
